

Goretti Winery

(Pila, Perugia)

“Goretti Tower” del XII sec.

The Goretti winery in Perugia, it's completely dedicated to the wine world. We collaborate since generations with many travel agencies and tour operators customizing the proposals based on the needs of the end customer.

The fourteenth century tower, emblem of the historic cellar of the Goretti family, dedicated entirely to the reception, it overlooks the adjacent park.

By virtue of the excellent winery location, situated in the village of Pila, very close by of Perugia city (10 mins), Assisi (25 mins) and other places of great historical and geographical importance of our beautiful region, Umbria:

(Gubbio , Spello, Spoleto, Montefalco, ...) we organize, under request, also with tour guide and private driver, according to customer needs, special and customized visits.

Visit and tasting at the cellar:

Goretti tower

- **Cellar Tour** with explanation of winemaking process, bottling and aging.
- **Goretti Wine tasting** (generally, we select two white wines and two red wines, a sweet wine and a selection of grappa (spirits) , with a “Grand finale” of Brandy, aged 20 years old) accompanied by typical Umbrian: bruschetta prepared with homemade bread and local extra virgin olive oil produced on our site, the local “torta al testo” (typical product) filled with meats or vegetables, a selection of cheese with honey and balsamic dressing Goretti, a local “cake of cheese” (pizza under request) etc ... as a dessert cookies with almonds paired with our production of Vin Santo and local chocolate.

This program can be changed, upon request, based on the needs of the visitors. The visits will be organized during the whole week (including weekends or at any time with a slight price increase).

We request the final confirmation at least two working days in advance:

The tasting will take place, depending on the climatic conditions at the park, adjacent to the winery, or in the " Marcella Room", alternately in one of the halls of the Goretti Tower, from the XII century.

Cooking Lessons with "Nonna Marcella":

The new structure of the Goretti winery, called "Sala Marcella" is equipped with a very **professional kitchen** studied for a specialized service (up to 80 guests), in order to increase the offer of welcome, responding to the current demands of private events, tour operators and events we organizers, *for tourists wishing to learn how to cook Italian and Umbria cuisine, in particular.*

The "Room Marcella" is part of a bigger project, started with the **book of Umbrian recipes, written by Ms. Marcella in Italian and translated into 14 languages** (Italian, English, Russian, the Korean, the Chinese , but also to the Japanese and Danish, etc.), born to better promote the Goretti productions in addition to the typical product of the territory.
